

APPLICATION FORM

This form is to be used by professional archaeologists intending to undertake excavations that do not require planning approval from the local government. Under Section 79 of the *Heritage of Western Australia Act 1990*, the Heritage Council can issue a permit for works undertaken at a place entered in the State Register of Heritage Places. This permit is used only when there is no requirement for planning, building or other approval from any other authority

For further information or assistance in completing this form, please contact a Heritage Officer at the State Heritage Office on (08) 6552 4000.

Numbers, names and descriptions of places on the State Register of Heritage Places can be found at stateheritage.wa.gov.au
