Heritage List	YES	24 Oct 2006		

Please use this cover sheet when referring a proposal to install NBN services that involves **new** works, including installation of **new** equipment and routes, as well as new or additional trenching.

Place Name:

Place Number:

The following information should be provided:

- Cover sheet
- Site plan showing general location of infrastructure
- Description of the works including any equipment to be installed
- Photographs illustrating works including location of any new underground conduits

Email referrals to [referrals@stateheritage.wa.gov.au](mailto:referrals@stateheritage.wa.gov.au)

Contact for further information: Development team – 08 6552 4150

\*Note: Under the *Heritage of Western Australia Amendment Regulations 2012*, the following works do not need to be referred:

- works that involve the **replacement** of utility services using **existing** routes or voids that **does not** involve the removal of, or damage to, the fabric of the building
- an excavation that does not affect archaeological remains, for the purpose of exposing, inspecting, maintaining or **replacing** utility services

This does not exempt the requirement for approvals or permits from the decision maker.
